

## Application for Full Membership

Parents, relatives, and carers of a person living with Cri du Chat syndrome and adults with Cri du Chat syndrome are eligible for full membership, details of which are explained on the group website. Friends, community members and professionals with an interest in the syndrome and who support the purposes of the group are welcomed and encouraged to apply for associate membership via the appropriate form.

Membership to the Cri du Chat Support Group Limited is currently free. We encourage consideration of a tax-deductible donation to support group running costs, family events, and other group initiatives that aim to support our families.
