

Funding Application Form.

The Cri du Chat support group can allocate funds to assist with the running of various events held on behalf of the group in Australia and New Zealand.

These events can include but is not limited to family get togethers (lunches, zoo visits, weekends away) fundraising initiatives, and parent workshops.

The Funding is designed to bring Cri du Chat Families together to help support one another and raise awareness for Cri du Chat Syndrome in Australia and New Zealand.

Funding will only be approved on the discretion of the Cri du Chat Support Group Committee. Not all applications will be granted, and the amount granted may not be the full amount requested. We do ask that you try to fundraise where possible to help subsidise your event.
